[16~17] 다음을 듣고, 물음에 답하십시오.

M: Welcome to Grand National Park. I'm Captain Steele, a park ranger. As you can see, it's the best time of the year to enjoy hiking. To make tomorrow's hike fun and safe, I'd like to give you some important safety tips you should consider. First, check the weather. The weather can change very quickly in the mountains. So, keep an eye on the weather conditions. Also, wear appropriate clothing. The temperature can vary throughout the day, so it's better to dress in layers than wear a single thick jacket. Another tip is to prepare a first aid kit. It will be invaluable if you suffer scratches, bug bites, or other minor injuries. You may also want to carry emergency supplies such as a map, compass, flashlight and whistle. They'll be very useful if you get lost. Last but not least, always travel with at least one other person. You don't want to be alone in case of an emergency. These tips are simple, but very important. Please keep them in mind and enjoy your hike tomorrow. Thank you.
